Chapter 1 by Sassy Cassy

This girl named Hilde is saying I am just as bad as Carly Future when I actually not. All I am trying to do it get you to find out who Carly Future is and to think harder. There are always going to be mean people who do what CF do because they are jealous. However, I am not jealous at anyone. So if you don't want to find out the truth (could be the person doesn't want anyone to find out and they are scared) I will stop trying to help you. She was saying my parents would say if you ignore them they will stop. Umm, excuse me you aren't my parent, I am sorry, and if I told my parent what happened they would help me get through it. If you know who I am, then why don't you tell everyone in the draft below? All I am saying is I didn't appreciate all the things you said to me. You cannot tell me how to write my stories because they could be about whatever I want them to be about. Why would I email you because then you would know exactly who it is. I am sorry if I have hurt your feelings, and I am sorry tat you don't appreciate me either. Please, next time keep it to yourself and don't read my stories then. Well everyone who doesn't hate me, I am sorry but I will not be giving out anymore hints because someone doesn't want me to. So have a nice life. Goodbye forever
